Although no homework is due next week due to the test on 1/28, you may find doing some of the following problems before the test helpful.

- Section 8.2, problems 7, 19
- Section 8.3, problem 13 (don’t worry about counting the steps so much as just being able to sort the lists)
- Section 6.2, problems 3, 4, 7, 11, 21

along with (if you want to review some of the earlier material)

- Section 5.1 problems 6bg, 8e
- Section 5.2 problems 13 and 30
- Section 5.3 problems 6 and 7
